Thank you for your interest in adopting a rescue dog. Our intention is to make the best match between you and your new family member as possible. The mission of Louisiana Unified Voice 4 No Kill (LUV4NK) is to work towards securing a positive outcome for every healthy and treatable shelter/homeless animal. We are a grassroots community voice with the shared goal of no kill through education and implementation of community programs. Please complete this application in order for us to find the right match for both you and your rescue dog.

The adoption fee is \$100 which helps cover the costs of vetting. Our dogs are rescues from parish shelters and may have been exposed to contagious diseases including Parvo, Distemper and Heartworm. Every dog has been quarantined for 14 days, examined by a vet, treated for known diseases and is as healthy as we and our vets can make it. They are typically in foster homes for several weeks prior to adoption. Despite our best efforts, we cannot guarantee their health. Please submit your completed application electronically to luv4nk@gmail.com or mail to Amie Varnado, P.O. Box 435, Youngsville, LA 70592
